- Business card

- Phlebotomist bag and uniform branding
- Vendor PO and invoice templates

Priority 2 — Next Standardization

- Social media templates
- Sales deck
- Partner onboarding kit
- HR document templates
- Lab portal UI
- Admin console UI
- WhatsApp/SMS templates
- Print vendor handoff templates

Priority 3 — Governance and Scale

- Brand audit log
- Asset versioning
- Figma component library
- Product component library
- Department training
- Quarterly brand review

4. Master Rule

Every Zelnoo touchpoint should feel like one system:

Same logo.

Same orange.

Same typography.

Same trust-first language.

Same operational clarity.

Same premium healthcare technology feel.

That is the standard for Zelnoo.
