

Part 3 — Marketing, Sales, Voice, Content, and Templates

External communication and content consistency

1. Marketing Guidelines

Creatives: premium, modern, healthcare-relevant. White/black/orange palette, Syne headlines, DM Sans body, one visual idea per creative, no cluttered discount banners.

1.2 Social Media Templates

Platform	Size	Usage
Instagram Square	1080x1080	Awareness, features, trust
Instagram Story	1080x1920	Offers, reminders
LinkedIn Post	1200x1200	Updates, hiring, partnerships
LinkedIn Banner	1584x396	Company/employee profiles
WhatsApp	1080x1080	Local campaigns, sales
Presentation	16:9	Pitch, sales, reviews

1.5 Approved Brand Phrases

Phrase	Usage
Diagnostics, democratized.	Master tagline
Compare. Book. Track.	Product explainers
Trusted diagnostics, made simpler.	Website, brochures

Phrase	Usage
Doorstep sample collection, done right.	Phlebotomy comms
Your reports, organized.	Reports vault
Transparent pricing. Trusted partners.	Consumer discovery
Built for diagnostics at scale.	Investor decks
From booking to report, in one flow.	Platform positioning

2. Sales Deck

Black title slides with orange heading, white content slides with orange section numbers, simple diagrams, large proof points.

Section Order: 1. Problem 2. Zelnoo solution 3. Customer journey 4. Partner value prop 5. Doctor/corporate use case 6. Platform workflows 7. Trust model 8. Business model 9. Tech roadmap 10. Next steps

Slide Type	Style
Cover	Black bg, logo, orange title
Section Divider	Large number + title
Content	White bg, black title, orange highlight
Data	Clean charts, strong labels
Timeline	Orange progress line, neutral cards
Closing	Black bg, logo, contact, tagline

3. Brand Voice and Tone

Principle	Description
Clear	Healthcare workflows easy to understand
Responsible	No unsupported claims
Calm	Reduce test/report anxiety
Transparent	Pricing, timing, process openly explained
Helpful	Guide to the next best step

3.2 Tone by Audience

Audience	Tone	Example
Customers	Simple, reassuring	"Choose a convenient pickup slot."
Doctors	Respectful, precise	"Track report status with consent-based access."
Labs	Professional, operational	"Update pricing and TAT from your portal."
Phlebotomists	Direct, task-oriented	"Confirm collection after labeling."
Admin/Ops	Structured	"This order requires manual review."
Investors	Strategic	"Discovery and quality intelligence in one layer."
Vendors	Clear, formal	"Share revised quotation with GST breakup."

4. Microcopy

Context	Copy
Search empty	Search for tests, packages, or diagnostic centers near you.
No results	No matching options found. Try changing location or search term.
Booking success	Your booking is confirmed. We'll keep you updated.
Payment pending	Payment is being processed. Do not retry until status updates.
Report uploaded	Your report is now available in your reports vault.
Collection delayed	Your collection partner is delayed. We're tracking the request.

5. Notification Templates

SMS/WhatsApp: short, operational, clear. No unnecessary emojis.

Booking Confirmation

Your Zelnoo booking is confirmed. Test: {test_name} | Date: {slot} | Booking ID: {booking_id}

Pickup Reminder

Reminder: Collection scheduled for {slot}. Keep prescription/ID ready.

Report Uploaded

Report available in your Zelnoo reports vault. Consult a doctor for interpretation.

Payment

Payment received. Amount: {amount} | Txn: {transaction_id}

Cancellation

Booking cancelled. Booking ID: {booking_id}. Refund status updated separately.

6. Email Templates

Structure: Logo header, subject, short body, info block, CTA button, support note, legal footer.

Element	Colour
CTA button	#F08E04 bg, black text
Body bg	#FAFAF9
Email card	#FFFFFF
Text	#1A1A1A
Footer	#111111 bg

7. Corporate Content

One-line: Zelnoo is a diagnostics platform for discovering, comparing, and booking trusted pathology/radiology services with doorstep collection and digital report access.

Lab pitch: Improve digital visibility, receive structured bookings, manage catalog and pricing through a partner portal.

Customer pitch: Search, compare, book, and access reports digitally.

10. Photography and Imagery

Use: Clean diagnostic centers, phlebotomist preparing kit, professional home collection, secure packaging, customers using mobile booking.

Avoid: Fear-based imagery, blood-heavy visuals, messy labs, staged stock photos, unhygienic scenes.

Illustrations: 1.5–2 px stroke, rounded caps, minimal fills, orange/black/grey/white only.

11. Icon System

Stroke: 1.75–2 px, rounded. Outline default, filled for selected states. Sizes: 16, 20, 24, 32 px. Black default, orange active, grey inactive.

13. Compliance-Safe Language

Use: "Book diagnostic tests" · "Compare available centers" · "Reports provided by the selected diagnostic partner" · "Consult a qualified doctor."

Avoid: "We diagnose you" · "Guaranteed accurate results" · "Instant cure" · "Best lab guaranteed" · "100% safe."

Consumer Disclaimer:

Zelnoo enables diagnostic discovery, booking, logistics coordination, and report access. Test processing and reports are provided by the selected diagnostic partner. Please consult a qualified medical practitioner for interpretation of results.
